Hi everyone. FYI, EPA Region 6 has decided to partially fund the TX RRC UIC FY2016 Special Project, for \$25,195.

Please incorporate this UIC Special Project into the UIC TX RRC FY2016 workplan, and also into the FY2016 application/budget.

The Application/budget/workplan will be due no later than 7/01/2015 (two months before the SFY Fiscal Year begins, on 9/01/2015). Please submit these documents via grants.gov.

If you have any questions regarding this, please let me know. Thanks very much,

Mike Vaughan
